Client Cooperation Agreement

Document version: cooperation-2026-10-24-v3 · Agreement reference: assigned on signature

This draft must be reviewed by legal counsel before final use. Text in [square brackets] is completed by the Company.

1. Parties

Company	[COMPANY LEGAL NAME AND LEGAL FORM], registration number [REGISTRATION NUMBER], registered office [REGISTERED ADDRESS], represented by [AUTHORISED REPRESENTATIVE], trading as "Brickwise – Fractional Real Estate" (the "Company"). Business address: 370 NE 75th Street, Unit 126, Miami, Florida 33138, USA. European contact office: Bobinethöfe 38, 54294 Trier, Germany.
Client	The client identified on the electronic signature page of this document, holding a verified Brickwise client account (the "Client"). The Company and the Client are each a "Party".

2. Purpose and scope

2.1 This Agreement sets out the general terms under which the Client uses the Brickwise client portal to review real-estate projects, request fractional participations ("shares"), fund approved transactions and receive reports and distributions.

2.2 This Agreement is a framework agreement. It does not by itself create a participation, transfer ownership or oblige either Party to complete a transaction. Each participation is governed by a property-specific participation addendum (the "Addendum") stating the property, the holding structure, the price per share, the rights attached, fees, term and exit conditions. In the event of a conflict, the Addendum prevails for that transaction.

2.3 Prices, yields, calculations, availability and statuses shown in the portal are for information only. They are not an offer, a guarantee or investment advice.

3. Client account and verification

3.1 The Client provides complete and accurate information, keeps login credentials confidential and informs the Company without delay of any change or suspected misuse of the account.

3.2 Before approving a transaction, the Company may verify the Client's identity, address, tax residence, beneficial ownership and source of funds. The Company may decline or suspend a transaction and report it to the authorities where required by anti-money-laundering or sanctions law.

4. Participation process

4.1 The Client submits a request in the portal stating the property, the number of shares and the payment method. A request is non-binding until the Company confirms it in writing and both Parties have signed the Addendum.

4.2 Shares are allocated only after cleared funds, complete documentation and compliance approval. Shares shown as available may be reserved or withdrawn until allocation. If a request cannot be completed, unallocated funds are refunded, less only charges disclosed in advance.

5. Payments and client wallet

5.1 Payments are made only to the bank accounts or digital-asset addresses shown as verified in the client portal, using the stated payment reference. The Company will never ask for passwords, private keys or recovery phrases.

5.2 Deposits are credited to the Client's wallet in the portal after the Company has confirmed receipt. For digital assets, the Client is responsible for selecting the correct asset and network; transfers to a wrong address or network may be irrecoverable. The amount credited is the euro amount confirmed by the Company after any conversion.

5.3 All amounts are stated in euro (EUR) unless the Addendum provides otherwise.

6. Rental income and projections

6.1 The Client participates in the net rental income of a property in proportion to the shares held, as defined in the Addendum. Net rental income is the rent actually collected less operating, management, maintenance, insurance, tax and financing costs, reserves and disclosed fees.

6.2 Target returns and daily, monthly or annual amounts shown in the portal are projections based on assumptions. They are not guaranteed; actual income may be lower, delayed or zero. Distributions are made at the intervals stated in the Addendum.

7. Fees

The Company charges only the fees set out in its fee schedule and in the Addendum: [FEE SCHEDULE — e.g. entry fee, annual management fee, exit fee — TO BE COMPLETED]. Any other fee requires the Client's prior agreement in the Addendum.

8. Holding period, transfer and exit

8.1 Participations are long-term and may be difficult to sell. [EXIT RULES — minimum holding period, notice period, resale or buy-back procedure and pricing — TO BE COMPLETED].

8.2 A transfer or exit is possible only as permitted by the Addendum and applicable law. The Company does not guarantee a buyer, a resale price or an exit date.

9. Risk notice

Real-estate participations involve risks, including partial or total loss of the capital invested, vacancy, tenant default, damage, falling property values, changes in interest rates, currencies, taxes and regulation, and limited liquidity. Past performance and projections are not reliable indicators of future results. The Client should invest only money that can be committed for the long term and is advised to obtain independent legal, tax and financial advice.

10. Company obligations and liability

10.1 The Company administers the portal and the participation process with due care, keeps records of all transactions, provides regular reports and discloses the material fees and risks known to it.

10.2 The Company is liable without limitation for intent, gross negligence and injury to life, body or health. Otherwise, to the extent permitted by law, liability is limited to foreseeable damage typical for this type of agreement. Mandatory consumer rights are not affected.

11. Data protection and communication

The Company processes the Client's personal data to perform this Agreement and to comply with legal obligations, as described in the Privacy Policy at www.brickwise-immo.de/privacy. Notices are given through the client portal or to the Client's verified email address. The Client agrees to receive documents electronically.

12. Term and termination

This Agreement takes effect when the Client signs it and runs for an indefinite period. Either Party may terminate it in text form with [30] days' notice. The Company may suspend the account with immediate effect for good cause, such as suspected fraud, sanctions or a material breach. Termination does not affect existing participations, which continue under their Addendum.

13. Right of withdrawal

If the Client is a consumer, the statutory right of withdrawal applies. [WITHDRAWAL INFORMATION — TO BE COMPLETED BY LEGAL COUNSEL].

14. Governing law and disputes

This Agreement is governed by [GOVERNING LAW — TO BE CONFIRMED BY LEGAL COUNSEL]. Consumers retain the protection of the mandatory law of their country of habitual residence. Place of jurisdiction: [PLACE OF JURISDICTION], unless mandatory law provides otherwise. The Parties will first try to settle any dispute amicably.

15. Final provisions

Amendments to this Agreement are notified through the portal at least [30] days before they take effect. Should any provision be invalid, the remaining provisions remain in force. This Agreement is available in English, German, French, Spanish and Italian; the Client signs the language version selected in the portal.

16. Electronic signature

16.1 The Client signs this Agreement electronically in the client portal by drawing a signature and confirming consent. The Company records the signer's name, verified email address, date and time (UTC), IP address, device information and the SHA-256 checksum of this document, and attaches them on the electronic signature page.

16.2 The signed PDF is stored in the Client's account and can be downloaded at any time. The Company confirms the Agreement by reviewing the signature in its administration system [and by the countersignature of its authorised representative].
